

Quality Policy

Galaxy shall provide maximum value to its customers by consistent supply of quality products and reliable services.

Galaxy shall continually strive to achieve quality leadership in its products and services.

Galaxy shall ensure safe, healthy and eco-friendly environment at its work place and surroundings.

Galaxy shall promote safe use of products by providing necessary information regarding storage, transportation, handling, disposal and performance of products.

Galaxy shall comply with all the relevant statutes pertaining to the countries in which it conducts business.

Galaxy shall achieve this by a competent and well-coordinated team.

This policy has the commitment of each member of Galaxy.
